

Message

I am very happy to hear of this meaningful initiative of service to the deprived students of Tin Sui Wai organized by Daniel Mak , This is a wonderful way to express our love and care for others in a very practical way .

Wah Yan spirit is a spirit of service of those in need . I am sure the students will greatly benefit and also all who volunteer to help . Love is always shared.

This meaningful project has my full support and I hope there will be many generous volunteers .
